Andrew Offor, Nigeria
- 0113 Adult mortality and the economic sustainability of households in towns, estates and villages in AIDS-afflicted eastern Zimbabwe
Phyllis Mushanti, Cleopas Zvidzai, James Lewis, Simon Gregson, Zimbabwe
- 0115P Nutrition and Food Security
Suhaima Hoosen, South Africa

0118 Impact of HIV/AIDS on Food Security and Nutrition
Emmanuel S Ariga, Kenya

Theme 2 **Policies of access to care**

0201 The use of information and communication Technologies for providing access to HIV/AIDS information management in a resource poor country: Nigeria a case study
A O Adeyemi, M H Ayegboyin, Nigeria

0203 How adequate is the HIV/AIDS response of the six heavily affected southern African countries?
N Zungo-Dirwayi, O Shisana

0204P Rapid appraisal to establish the role of traditional healers in HIV/AIDS prevention and care
Moses Kipanda, Uganda

0205 Barriers to accessing HIV/AIDS related medical care through a free programme for hospital staff
Kerry Uebel, Janet Giddy, Eleanor Preston-White, Bisola Ojikutu, Sally John, Roni Wilson, Erica Dwyer, South Africa

0206 Aspects socio-économiques des personnes infectées par le VIH/SIDA au Congo
Mamona Abroise, Congo

0207 Soins et traitements aux femmes enceintes séropositives au Togo
Amivi Holali Ezunkpe, Togo

0208 The experience of the 50 community associations network of ambulatory treatment agents in Togo
Komi Agbeko Tsolenyanu, Togo

0209 L'accès aux est-il effectif dans les pays en voie de développement?
Isabelle Nganmou, Cameroon

0210 Exemple du Programme Pilote ARV de la Banque Mondiale
Florence Berthe, Cameroon

0211 Integration of HIV/AIDS care at the local level: the role of local government
Kevin Kelly, South Africa

0212 Vers une décentralisation de l'accès aux traitements ARV
Mohamed Toure et al, Mali

0213 Issues of human resources in scaling up access to antiretroviral treatment
Rob Stewart et al, South Africa

0214 Scaling up antiretroviral treatment in South Africa: have we learned from past initiatives?
Rob Stewart, South Africa

0215P The impact of food insecurity in home-based care: the case of Soweto
Nokuthula Skhosana et al, South Africa

0216 Overcrowding of patient with HIV/AIDS in the public health care facilities

L Metlape, O Shisana, South Africa

- 0217P Social aspect of access to care and treatment (2004)
Ann Naiker, South Africa
- 0218P Muslim youth initiative on access to care and support
Jaffer Ouma, Kenya
- 0219P L'équité dans l'élaboration et la mise en oeuvre des plans stratégiques de lutte contre le VIH/SIDA en Afrique: Le cas de l'Initiative Sénégalaise d'Accès aux Antirétroviraux
Demba Anta Dione
- 0220P People with disabilities and HIV/AIDS interventionist Programs: The Case of Kenya
Julius Simiyu, Kenya
- 0221P The role of housing and services (water and sanitation etc.) as a vehicle for care and prevention
Richard Tomlinson, South Africa
- 0222P Risks of exposure to HIV/AIDS at work: Results of a survey among health workers in Zambia
Karusa Kiragu et al, Zambia
- 0223P Utilization of VCT among hospital workers in Zambia
Karusa Kiragu et al, Zambia
- 0224P HIV/AIDS: The family burden of hospital employees in Zambia
Karusa Kiragu et al, Zambia
- 0225 Factors affecting utilization of prevention of mother-to-child HIV transmission services at Nyanza Provincial Hospital, Kisumu, Nyanza Province, Kenya.
Moth Iscah Akoth
- 0226P Increasing access for HIV/AIDS services to the African woman, beyond the health facility. An operational research in Siaya District, Nyanza Province, Kenya
Judith Raburu, Kenya
- 0227P Client flow for patients seeking antiretrovirals therapy: the Kenyan model
D Odera et al, Kenya
- 0228 Urgent need for research to inform policy on accessing care & treatment for HIV/AIDS in Africa
Miriam K. Were, Kenya
- 0229 Correlation between access to treatment and ARV uptake in Zambia
Namposya Serpe, Zambia

Theme 3 **Stigma in relation to care**

- 0301 Combating HIV/AIDS stigma: a workshop guide
Leana Uys, South Africa
- 0303P Stigma and discrimination
Ethel Pengel, Kenya

- 0304P Action contre la stigmatisation des personnes atteintes du VIH/SIDA
Blandine Azodogbeho et al, Benin
- 0308P Stigma in relation to care
Paul Sichalwe, Zambia
- 0309 The challenges of HIV/AIDS stigma: causes and consequences for AIDS-care in a rural community
Yugi Nair, South Africa
- 0311 Place de la recherche sociale dans la lutte contre la pandémie VIH/SIDA: Le point de vue du médecin
Ndella Diakhaté, Senegal
- 0314 Key principles for anti-stigma intervention rising out of a multi-country research study
Virginia Bond et al, Zambia

Virginia Bond et al, Zambia
- 0316 Les mécanismes de la honte et de la stigmatisation associés au VIH/SIDA. Une étude anthropologique au Burkina Faso
Fatoumata Ouattara, Burkina Faso
- 0317P Stigma in relation to care
Chilambe Katuta, Zambia
- 0318P Stigmatization of people living with HIV/AIDS in Ghanaian societies
Michael Nandomah, Ghana
- 0319 A review of interventions to reduce HIV/AIDS-stigma in South Africa
Maretha Visser et al, South Africa
- 0320 Understanding AIDS stigma in social and historical context: a literature review
Harriet Deacon et al, South Africa
- 0321P Body tracing – Mapping and tracking wellness and illness – a bio medical psycho social tool adherence and communication tool
Jonathan Morgan, South Africa
- 0322 Effects of HIV-related stigma on the quality of palliative care
Erasmus Otolok-Tanga, Uganda
- 0324 Stigma, a stumbling block for the community and home care for people living with HIV/AIDS in Aimlonfide
Theophile Houhouedo
- 0326 The impact of stigma in the health care settings
Nancy Msobi et al, Tanzania
- 0327P La Stigmatisation
Mulenda Albertine
- 0328P Stigmatisation dans le milieu des soins
Zayuya Bulu Lola, Congo

0329 AIDS stigmas as Barriers to HIV Prevention, Diagnosis, and care
Seth C Kalichman, USA

Theme 4 **Cultural and communal mobilisation**

0401 Culture and communal mobilisation in DRC
Ephrem Tawitemwira Wikongo, DRC

0402P Promoting access to care for PLWHAs through community mobilization
Bernard Kaa, Kenya

0403P Defeating STIs, HIV/AIDS by community empowerment: a case study of HIV/AIDS good practice in Bushbuckridge by the Bushbuckridge Health & Social Services Consortium (BHSSC)
DJ Mbetse, South Africa

0404P A bold new step – Masangane community treatment project
Rev F Mgcayi, Kenya

0405P Designing interventions based on sexual scripts: Kenya
Eleanor Maticka-Tyndale et al, Canada

0406P Evolving community-based approach in HIV/AIDS care among the Yoruba of south-western Nigeria
Aderemi Suleiman, Nigeria

0407P Indigenous knowledge & HIV/AIDS pandemic in a community: a case from Lesotho
YDM Bwatwa et al, Lesotho

0408P Une utilisation intégrée du préservatif comme principe de base de la prévention du VIH/SIDA
Jerome Koffi, Ivory Coast

0409P Espace parole et conseils pour jeunes adolescents, expérience de l'Association Monde-Action (AMA)
Alexis Boyoko, Congo

0410P La mobilisation communautaire, sociale et culturelle des jeunes volontaires en lutte contre le SIDA (AJVLS) dans Lomé Commune
Comlan Dossou, Togo

0411 Community mobilization in the fight against HIV/AIDS crisis in Ghana: Challenges and Prospects
Richard Asante, Ghana

0412P Les représentations sociaux-culturelles, facteur de propagation du VIH/SIDA en milieu traditionnel, cas de fin du veuvage et de l'imposition du levirat lors du remariage au Togo
Adzo Kekeli Nyagbe, Togo

0413 Community preparedness for vaccine trials
Gaba Ayite Elo, Togo

0414P Importance of community involvement in the prevention of HIV. Community based voluntary and testing: Vulindlela site
Nokulunga Thabethe, South Africa

- 0415P Implementing community collaborative model in the adaptation of CHAMP in South Africa
Zoleka Mahintsho et al, South Africa
- 0416P Mobilisation et participation de la communauté de l'arrondissement de Boulmiougou à Ouagadougou
Amidou Kabore, Burkina Faso
- 0417P Knowledge-in-Action: Building a community of practice around HIV/AIDS care
Robin Root, USA
- 0418P Reception of HIV News media in Durban's Cato Manor: an active audience expression of news needs and political dissatisfaction
Ida Jooste, South Africa
- 0420 L'éducation dans les bars et sur les lieux de travail entre collègues ainsi que les opérations de distribution de préservatifs peuvent elle réduire le taux élevé d'infection chez les jeunes femmes
Marien Soumare, Senegal
- 0421 An analysis of functions and operations of District AIDS Action Committees (DAAC): the case of Chiredzi District
M.J Chimbari, M J Mangoma and A Mbereko, Zimbabwe
- 0422 Metropolitan municipalities and HIV/AIDS programmes in South Africa
Ntombini Marrengane, South Africa
- 0424 The role of volunteers in facilitating HIV interventions
Donald Skinner et al, South Africa
- 0425P Cultural mediation of AIDS-prevention information
Jacques Du Plessis et al, South Africa
- 0426P Shifting the context of HIV/AIDS using transformational leadership
Claire Kerry, South Africa
- 0427 Implication des ONGs dans la lutte contre le VIH dans les entreprises: cas de l'ONG Ruban Rouge Côte d'Ivoire
Raoul Marius Boka, Ivory Coast
- 0428P La sensibilisation dans les familles et les communautés: Une activité efficace pour la mobilisation des populations rurales du Cameroun dans la lutte contre le VIH/SIDA.
Leon Issoa et al, Cameroon
- 0429P Fruits of transformation: creating communities where HIV/AIDS cannot thrive
Monique Salomon, South Africa
- 0430P Expérience de mobilisation communautaire contre le SIDA
Abdoul Hamane Tobou, Benin
- 0431 Utilisation des remèdes traditionnelles dans les soins, le traitement liés au VIH/SIDA
Abdoul Hamane Tobou, Benin
- 0432 Appui à la mobilisation culturelle et communautaire pour les mères adolescentes défavorisées et confrontées à de graves risques d'infection par VIH/SIDA
Jacque Militoni Luzolo, DRC

- 0433P Cultural sensitisation
Clement Mavinga, DRC
- 0434P La nécessité d'une action multisectorielle intégrée dans la mobilisation des communautés face au VIH/SIDA
SIDA Conseils
- 0435P La place incontournable de la Famille dans la prise en charge des orphelins et enfants rendus vulnérables du fait du SIDA
SIDA Conseils
- 0436 Tools for assessing the role of FBO's in health provision and a policy implementation methodology
James Cochrane, Barbara Schmid, South Africa
- 0437P The lift and the stairs. The fight against HIV/AIDS in Cameroon
JP Tsala-Tsala, Cameroon
- 0438P Africa youth empowerment theory in the fight against HIV/AIDS
Edford Mutuma
- 0439 The HIV/AIDS crisis still presents a high risk in Swaziland
Priscilla Dlamini, Swaziland
- 0440 Impacting Behaviour change through communal mobilization. A faith based abstinence model in Kenya Baptist Churches using "True Love Waits"
Rev. Kassim, Kenya
- 0441 Men's involvement in HIV/AIDS prevention, care and support in Kenya
Marietjie du Toit, Kenya
- 0443P How to start a community advisory board
Joan Coetzee, South Africa
- 0444P Actions menées par le comité opérationnel du palpics pour la prise en charge des IST et du VIH/SIDA entreprises/populations
Laba Tuore, Senegal
- 0445P Sexualité et mariage: facteurs sociaux d'épanouissement des PVVIH
Meku Rose, Djhemine A Roger, Issoa Leon Mick Junior
- 0446P L'implication des groupes dits marginaux
Djhemine A Roger et al, Cameroon
- 0447P La sensibilisation dans les familles et les communautés
Issoa Mick Junior et al, Cameroon
- 0448P Socio-cultural factors affecting disclosure of HIV/AIDS serostatus among the youth and the woman in Goma (DRC) and surrounding areas
Bavon Mupenda, DRC
- 0449P Connecting communities: Creative collaboration for HIV/AIDS prevention in Botswana and Lesotho
Marion McNamara et al, USA
- 0450P Expérience de l'accompagnement des communautés des personnes vivant avec les VIH/SIDA

Innocent Collomba, CAR

Theme 5 **Human Rights**

- 0501P Human rights, legal and customary law issues related to care
Mohamed Mashori, Pakistan
- 0502 Fundamental human rights & rural development association FHRRDA
Mohamed Mashori, Pakistan
- 0503 HIV/AIDS and social assistance in South Africa (incorporating comparative information of assistance available in Botswana, Namibia, Zambia and Zimbabwe)
Karen Kallmann, South Africa
- 0504 The right to health care in the context of HIV/AIDS: the judicial role and experience in South Africa
John Mubangizi, South Africa
- 0505 Human rights among people living with AIDS in Uganda
Lydia Mungherera, Uganda
- 0506P Children without legal guardians, HIV and consent to treating and testing
Liesl Gerntholtz, South Africa
- 0507 Proposition de texte de loi portant protection des PVVIH en matière de VIH/SIDA
Gerard Alogbleto, Togo

C Hartell
- 0513 Les aspects sociaux du VIH/SIDA – droits et éthique
Ambroise Mamona, Congo
- 0514P HIV/AIDS and Human Rights in Kenya
Dorothy Kimeu, Kenya
- 0516P HIV/AIDS Youth project in Swaziland: Zero Transmission Life Style
Muziwakhe Sigudla, South Africa
- 0517P Human Rights and HIV/AIDS
Janet Amegatcher, Ghana

Theme 6 **Drug and trade related issues**

- 0601 Adherence to antiretroviral therapy in Nigeria
Mary Andondeye, Kenya
- 0602 Observational study of using Taibao, a herbal preparation for HIV/AIDS to treat PLWHAs in Kibera, Kenya
Li Chuan, Kenya
- 0603 People's expectation and perceptions of antiretroviral drugs: towards harmonization of HIV/AIDS drug policies in SADC region
Norman Nyazema, South Africa
- 0605P Contribution de la médecine traditionnelle dans les soins et traitements des PVVIH au Togo
Kodjo Akuste, Togo
- 0606P Traditional Chinese Medicine (TCM) – herbal alternative – a great hope for HIV/AIDS
Li Chuan, Kenya
- 0607 De la nécessité de créer des alliances pour améliorer l'accès aux ARV par les populations africaines
Armand Totouom, Cameroon
- 0608 Integration of African Traditional medicine into health care system: a tentative community-based approach for reduction of HIV infection burden in rural areas
Tony Mossanda et al, South Africa
- 0609P Stratégies et contraintes liées à l'observance des ARV au Sénégal
Khoudia Sow, Senegal
- 0610 The economic impact of HIV/AIDS in developing countries: to finish with systematic under-estimation
JP Moatti, France

Theme 7 **The financing of AIDS**

- 0701P Community options for financing HIV/AIDS
Kate Onyejekwe, Kenya
- 0702 Meeting the UNGASS targets on financing the health care system to enable delivery HIV/AIDS programmes: a case study of six countries in the SADC region
G Martin, South Africa
- 0703 Government Budget Allocations for HIV/AIDS in 4 African countries, (Mozambique, Namibia, South Africa, Kenya)
Guthrie T, Kioko U, Lara G, Sumbana H, Phororo H, Kerapeletswe C, Fairstein C, Valdés A, Sotomayor J, Darce D, South Africa
- 0704P Le problème des médicaments et de leur commerce
Bienvenu Lusikila, DRC
- 0705P The financial interrelations of sustainability and stability in supporting a successful South African in an increasingly global arena
Annamarie Bindenagel, Kenya

- 0706 Costing HIV prevention programmes for sex workers in South Africa
Jo-Ann du Plessis, South Africa
- 0707P Mise en place de 20 centres d'écoute et de prise en charge des jeunes pour un meilleur accès aux soins et traitements au Togo
Koffi Dotse Tsolenyanu, Togo
- 0708P Gratuité des ARV: expérience de l'ISAARV au Sénégal
Khoudia Sow, Senegal
- 0711 Supporting community HIV/AIDS initiatives in Botswana
Bagaisi Phaphe-Mabilo, Botswana
- 0712 L'accès aux soins est-il effectif dans les pays en voie de développement?
Isabelle Nganmou et al, Cameroon
- 0713 Exemple du Programme Pilote ARV de la Banque Mondiale
Berthe Ymele Nouazi, Cameroon
- 0714 MAP, Sécurité alimentaire et nutritionnelle: Le cas du Cameroun
Armand Totouom, Cameroon
- 0715P ARV financing in South Africa
Nhlanhla Ndlovu, South Africa
- 0716 Art in the workplace
Gavin George, South Africa
- 0717 A costing comparison of OVC organizations
Kyle Jemison & Jennifer Lentfer, Zimbabwe
- 0718 Sharing lessons of the small grants to community-based HIV/SIDA/AIDS projects - Botswana
Eno Mereyebone, Botswana
- 0719 Limitations of policies in the control of HIV/AIDS transmission, spread and containment
ABC Ocholla Ayayo
- Theme 8 **Orphans and vulnerable children**
- 0801P Adolescents affected and infected by HIV/AIDS: a psycho-social study
Prof. Herman Strydom
- 0803P Prise en charge des orphelins du SIDA et enfants infectés ou affectés par le VIH/SIDA
Kodjo Akuste, Togo
- 0805P Special home-based care and support programmes for AIDS orphans and vulnerable children in Rivers State
Bonnie Annie Ohio, Nigeria
- 0806P OVC
Martine Reuben, Tanzania
- 0807 Orphans-in-waiting: current issues, future directions

P.A. Apoya, Ghana

- 0808 Assessment of the life situations of AIDS orphans in three towns of Northern Ethiopia: the response of extended family and the need for community-based orphan support program
Yared Mekonnen, Ethiopia
- 0809 Documentation study of the response by faith-based organizations to orphans and vulnerable children
Bongiwe Hillary, Swaziland
- 0811 Education, Socioeconomic Status and orphanhood in Uganda
Ibrahim Kasirye, Uganda
- 0812P The impact of adult morbidity and mortality on the welfare of children in Soweto, South Africa
Veni Naidu, South Africa
- 0813P Défense des droits des orphelins du Sida; une expérience de l'association pour le soutien et l'épanouissement des orphelins du SIDA (APSEOS)
Elegbe Ganiou, Benin
- 0814P Orphelins et enfants infectés ou affectés par le VIH/SIDA
Ambroise Mamona, Congo
- 0815 Expérience D'Action Social envers les orphelins du SIDA et enfants infectés ou affectés par le VIH/SIDA
Maliyere Gabriel, CAR
- 0816P Soins et suivi des enfants infectés et affectés par le VIH/SIDA au sud du Togo
Badji Akou Sena Julienne, Togo
- 0817P Accelerating communities' responses to orphans and vulnerable children (OVC) "The case of Copperbelt Health Education Project) (CHEP)
Kafusha C Mfula, Zambia
- 0818P Orphans and vulnerable children in Kenya
Stephen Muketha, Kenya
- 0819P Anxiety and depression in HIV infected children
Catarina Ferrao, Mozambique
- 0820P Motor development of infants with HIV
J Jelsma, L Peters, R Van Der Beecken, South Africa
- 0821 Social networks, migration and care in Tanzania: Supporting women, children and young people's resilience
Ruth Evans, UK

Erick Mukaku, Congo
- 0840P Soutien aux orphelins et enfants rendus vulnérable par le sida dans une localité semi-urbaine situé a 300km de la capitale
Bertrand Kampoer, Cameroon
- 0841P Psychosocial needs assessment of orphans and non-orphans in Uganda: A case study of Masaka district
Peter Baguma, Uganda

- 0842 Exploring AIDS/orphans challenges in accessing general education
Nirmala D Gopal, South Africa
- 0843P Revisiting the contemporary concept and practice of motherhood in the context of HIV and AIDS: Lessons for the IKS
Thenjiwe Magwaza, South Africa
- 0845P Contrasting primary school outcomes of paternal and maternal orphans in Manicaland, Zimbabwe: HIV/AIDS and weaknesses in the extended family system
Mainford Wambe, Zimbabwe
- 0849P A situation analysis of OVC in Zimbabwe, a qualitative perspective
S Munyati et al, Zimbabwe
- 0850P Anganza Trust OVC programme
Carolyn Katio, South Africa
- 0851 Prise en charge des OEV: un défi pour les familles et les communautés en Afrique
Roger Djihemine et al, Cameroon
- 0852P What has afro-forestry got to do with HIV/AIDS?
P Thangata, Zimbabwe
- 0853 Drop-in centres as an invention for the care and support for OVC
Johanna de Beer, South Africa
- 0854P Care and support of orphans in Botswana
Rosemary Ndaba et al, Botswana
- 0855P Psychological welfare of orphans in Mabophane
C Zwane et al, South Africa
- 0856 A census of orphans in the Kopanong
Leickness Simbayi et al, South Africa
- Theme 9 **Epidemiology & HIV surveillance**
- 0901 HIV-1 Prevalence rates in woman attending antenatal clinics in Lacor, Mulago, Mengo and Nsambya (PMTCT)
M Mubiru, F Mmiro, Uganda
- 0902P HIV risks among Coloured South Africans: Initial results of a community survey
Sean Jooste, South Africa
- 0903 Social and behavioural factors contributing to HIV risk in the SADC region
Susan Goldstein, South Africa
- 0904P Sexualité conjugale et prevention des IST/VIH/SIDA chez les femmes enceintes: implication du conjoint, contexte socioculturel et offre de services
Dominique Gomis, Senegal
- 0905 Changing patterns of morality and their consequences in Swaziland
Nina Veenstra, South Africa

- 0906P Contributions de la recherche sociale dans la surveillance du VIH/SIDA en milieu rural au Sénégal
Mbaye Diouf Ndiaye, Senegal
- 0907P HIV AIDS and guardian grandmothers
Gertrude Mungoma, Kenya
- 0910P Enquêtes de surveillance des comportements face au VIH/SIDA: cas du Cameroun
Yomi Gédéon, Cameroon
- 0912 Risk factor for HIV infection among young woman
Mzikazi Nduna, South Africa
- 0913 Epidemiology of HIV infection in working communities in southern Africa and its implications for managing HIV in the workplace
Clive Evian, South Africa
- 0916P Pourquoi le préservatif masculin n'est-il pas un instrument efficace pour la prévention du VIH chez la jeune fille rurale? Une expérience dans l'Est Cameroun
Meku Rose, Djhemine Andoulo Roger
- 0917 Smoothed estimates of the national HIV prevalence in Kenya since 1990
BK Cheluget, Kenya
- 0918 What can be expected from second generation HIV surveillance in Africa
Emmanuel Lagarde, South Africa
- 0919 Behavioural risks and sero-status (BBS) baseline survey in the Klerksdorp district in South Africa
Leickness C Simbayi, South Africa
- 0920 The need for household surveys to evaluate and monitor national response to HIV/AIDS epidemics in Africa
Olive Shisana, South Africa
- Theme 10 **Treatment and care**
- 1001P Assessing living conditions and sources of livelihood for traditional healer initiated support group members
Lydia Rukundo et al, Uganda
- 1002P Social Support Networks and VCT: The role of partners, peers and siblings in HIV Testing for Ugandan youth
Milka Juma et al, Uganda
- 1003 Etude de l'impact du VIH dans la vie des personnes atteintes au Congo
J Makaya et al, Congo
- 1004 Voluntary counselling and HIV testing for pregnant woman in the Kassena-Nankana district of Northern Ghana: Is couple counselling the recommended strategy
Frank Baiden et al, Ghana
- 1005 In-depth assessment of factors contributing to treatment defaulting among HIV/AIDS patients: Nigeria experience
Asukwo Uwah et al, Nigeria

- 1006 Facilitating acceptance of HIV testing: Mobile HIV voluntary counselling and testing in Sub-Saharan Africa
G Khumalo-Sakutukwa et al, USA
- 1007 Antiretroviral therapy and sexual behaviour – a comparative study between antiretroviral naïve and experienced patients at an urban HIV/AIDS care and research centre in Kampala, Uganda
Moses Bateganya et al, Uganda
- 1008 Positive perceptions of HIV/AIDS treatment in Namibia
David Lush et al, Namibia
- 1011 L'impact des soins à domicile dans le suivi des PVV/VIH par le personnel qualifié
Anny Lutete Nkayilu
